Matthew Malloran

Age	26
Location	North Carolina
Education	Bachelors Degree
Occupation	Chemical Engineer

Bio

Aiden is a chemical engineer who participates in intramural softball 3 days a week. He keeps himself busy and always feels exhausted after a long day of work and practice. He is constantly feeling like he is running low on energy and not living up to his full potential. He lives 45 minutes from his job so he also feels that he eats fast food too frequently. He wants to have a balanced fully nutritional diet.

"Let's get it done, and let's get it done right"

Lawrence Weber

Age 25

Location New York

Education [Bachelors](#) degree

Occupation Accountant

Bio

I am a 25-year-old accountant that does not have enough time during the day to get the food that I need to sustain my fitness goals. I currently work out 2 times a day and my goal is to work out 5 times a week. I find myself just eating whatever I see in my fridge and sometimes that is not enough for me.

Just Live Life.

Goals

Eat enough calories and proteins.
Be buff and strong.

Frustration

Shellfish allergy
No car

Personal Traits

Passion

Motivation

Introvert

Learning

Values

Want to start fitness seriously.
A girlfriend

Aspirations

To live healthy and carefree.

Melissa Young

Age 34

Location United States

Education Bachelors in Psychology

Occupation Content Creator

Bio
Melissa is a hardworking mother of 3 boys, working day by day to make sure her kids are taken care of. She's pretty handy but always seems to be short on time. With juggling parenthood and her influencer lifestyle, she often finds herself throwing dinner together last minute. She hopes to gain control of her meal prep and flourish with her family.

Family always comes first!

Goals

Children's needs are met
Well-nourished meals for her family
Time management

Values

Healthy but affordable meals
More time with her boys and husband

Frustration

Kids going hungry
Losing valuable time with her family

Aspirations

Her blog to flourish
Good health
Find time for herself
